

**Abstract Submission
until Feb 2nd 2025**

DeGBS 2025

Munich | Schloss Fuerstenried
29th September – 1st October

Preliminary Program

Monday 29.09.2025

- **Young Investigators' Session:**
Replace, Reduce, Refine - Innovative Strategies for Translational Radiation Research
- Confirmed Speakers:
Regine Schneider-Stock
Kai Kretzmar
Jens Kurreck

- Opening Ceremony
- **Session I:**
Fundamental Mechanisms of Cellular Responses to Radiation
 - Keynote Speaker: **Lorenzo Galluzzi**
 - Proffered Papers
 - Posters and Coffee
- **Special Topic: Scientific publishing**
 - Insights from an Editor-in-Chief: **Kevin Ryan**
- DeGBS Awards Ceremony

Tuesday 30.09.2025

- **Session II:**
Intracellular Signaling and Adaptive Mechanisms in Cellular Responses to Radiation
 - Keynote Speaker: **Brita Singers Soerensen**
 - Proffered Papers
 - Posters and Coffee

- **Session III:**
Cell-extrinsic and Systemic Factors Modulating Cellular Responses to Radiation
 - Keynote Speaker: **Heiko Enderling**
 - Proffered Papers
 - Posters and Coffee

- DeGBS General Assembly
- Social Event

Wednesday 01.10.2025

- **Session IV (Joint session DEGRO/ DeGBS):**
Innovative approaches in radiotherapy
 - Keynote Speaker: **Martin Pruschy**
 - Proffered Papers
 - Posters and Coffee
- **Meeting Awards Ceremony and Farewell**

- **Satellite Symposium:**
Promotion of Young Investigators and Future Perspectives of Radiation Biology
 - Keynote Speakers from Science and Industry
 - Workshop
 - Panel Discussion
