

DeGBS 2025

Munich | Schloss Fuerstenried
29th September – 1st October

Preliminary Program

Monday 29.09.2025

- 10:00-12:00 Young Investigators' Session
Replace, Reduce, Refine - Innovative Strategies for Translational Radiation Research
- Confirmed Speakers:
Regine Schneider-Stock
Kai Kretzmar
Jens Kurreck

Science

- 12:45-13:15 Opening Ceremony
- 13:15-17:00 Session I
Fundamental Mechanisms of Cellular Responses to Radiation
- Keynote Speaker: **Lorenzo Galluzzi**
- Proffered Papers
- Posters and Coffee
- 17:00-17:30 Special Topic: Scientific publishing
- Insights from an Editor-in-Chief: **Seamus Martin**
- 17:30-18:30 DeGBS Awards Ceremony
- 19:00 Conference Dinner

Tuesday 30.09.2025

- 08:25-12:15 Session II
Intracellular Signaling and Adaptive Mechanisms in Cellular Responses to Radiation
- Keynote Speaker: **Brita Singers Soerensen**
- Proffered Papers
- Posters and Coffee

- 13:15-17:00 Session III
Cell-extrinsic and Systemic Factors Modulating Cellular Responses to Radiation
- Keynote Speaker: **Heiko Enderling**
- Proffered Papers
- Posters and Coffee

- 17:00-18:00 DeGBS General Assembly
- 19:00 Social Evening

Wednesday 01.10.2025

- 08:25-12:00 Session IV (DEGRO/ DeGBS)
Innovative approaches in radiotherapy
- Keynote Speaker: **Martin Pruschy**
- Proffered Papers
- Posters and Coffee
- 12:00-12:30 Meeting Awards and Farewell

- 13:30-18:00 Satellite Symposium
Future Perspectives of Radiation Biology
- Interactive Formats
- Confirmed Young Scientist Speakers:
Lisa Deloch
Johanna Mirsch
Martin Selmansberger
- Confirmed Keynote Speakers:
Stefan Rieken
Frank Bengel
Ralph Lindemann
- Panel Discussion
